

SSober,Coffee comes to you each week thanks to the efforts of Audiohive Podcast Studio in Joliet Illinois. We thank Brian for his commitment and support - and highly recommend said services to anybody looking for quality - and attention to detail. Thanks, Brian, for all you do, Mikey and Glenn.

In addition to Mike and Glenn emptying their piggy banks into sober.coffee, we are grateful to the following donors who have sacrificed financially to help support the production costs, and spread the good news - that there IS a solution to the alcoholic problem. Our heartfelt thanks to:

Matt G, Tim G, Linda D, Don M, Karen I, Tom O, Joe O, Tim D ,Claudia M, Steve W, Paul L, Jay P, Rick C, Paul S, Dave J, Ron S, Cary F, Phil K, Mark D, and Gary L

A sober,coffee shout out to Mokena Fellowship Center in Mokena Illinois. Glenn and Mike are grateful for the fellowship and the people who are their members. In addition to face-t- face meetings that we attend at the fellowship, there are ample opportunities to run into Glenn and Mike on virtual meetings hosted by MFC. Check out the links below and we hope to see you in the rooms. Thanks MFC for all you do!

We really debated the insert of this connection, but many people have asked what kind of church, what church, Glenn and I attend. We do, in fact, attend church together. It is a church that preaches Alcoholics Anonymous - by name – and encourages those battling any addiction or mental health issue to pursue the professional community. The program of Alcoholics Anonymous calls for spirituality, not religion. We hope you are not turned off by this insert, but rather use it as a jumping off point for you to figure out your higher power ..., what works for you as it relates to sobriety. Safe travels as you are in our prayers always. Mike and Glenn

BEHIND EVERY GREAT MAN...
